

Please do not take me off this list. If I want something I will call for it! I don't need interuptions during my day off or especially at night! If I am watching my grandchildren I don't want to have to run to a phone for some idiot to try to sell me something I don't want in the first place! And who are they that I should have my name removed because of them! Tell them to advertise in a paper or on TV NOT MY PHONE! That has always been a private thing for ME, for my purpose not there's! KEEP THEM AWAY FROM ME, I LIKE IT JUST THE WAY IT IS!
